Reading Room News

From time to time, the Committee makes changes to the Reading Room to make the collection and the space to be as User-Friendly as possible. We have recently made some changes and so far, folks seem to really like it. Check it out! The collection cannot grow any larger, but we have been grateful to those of you who have offered common sense ideas about what might make it a better place to relax and read, and to hunt for books to read. If you’re not sure what you are in the mood for, don’t forget the **GREEN BINDER** on the desk that offers Book Summaries/Reviews for several books in our collection. It is updated every 60 days. Also: look for NEW TITLES in the LARGE PRINT section and additions to our non-fiction section.

Please Note:
Flush Smart! “Flushable” wipes = **NOT** plumbing-friendly. Please only flush toilet paper. All wipes belong in the trash. **Thanks for helping prevent clogs!**
