READING ROOM NEWS

The Green Binder has been updated! At the end of each section, you'll find the latest additions to our collection.

It's been a busy reading month, judging by the number of books in the Returned basket! There have also been some interesting finds in the Free basket—be sure to check it out.

We recently received a generous donation from a resident and are considering how best to use it to add new books to our collection.

As always, you may leave comments or suggestions for the committee in the black box in the mail room. Your interests help us build a better collection for everyone!

Thank you!
The Reading Committee

Please Note: We are grateful to Roseville Lutheran Church for the services they have provided at RosePointe. At this time, they will not be returning for future services.
